Has great benefits for you.....

*Keep more of your money*

Save money on your daily commute by using the Rideshare Program. Shelby County's Memphis Area Rideshare Program will provide \$500/month towards each vanpool.

*Reduce Wear and Tear on your vehicle*

Keep your vehicle newer, longer by vanpooling. Vanpoolers put fewer miles on their own vehicles, and save money on vehicle maintenance.

*Enjoy your commute to work*

Your commute can be a relaxing, enjoyable experience. Vanpoolers spend their commute time conversing with coworkers, enjoying a cup of coffee, reading the newspaper or even just relaxing.

*Enjoy a newer model vehicle*

Enterprise provides newer model vehicles for our vanpools. You can choose from a minivan, cross-over, SUVs or a 12/15-passenger vans.
